Muscat 2019

Oman 3rd Edition

Saturday 2nd November 2019

Objective: Designing innovative concepts for bathroom-related products.

Topic: The specific brief for the object to be designed will be announced on **Saturday 2nd November 2019**

Context: **Sustainability, personal wellbeing, accessibility and the lack of affordable housing form part of the everyday lives** of the general public and, of course, this applies equally to their homes and bathrooms. However, the products available in this area do not always respond to these concerns.

Our aim is to involve the community of young designers in the research for original and innovative yet simple solutions, which improve user's interaction with the bathroom products.

Another goal is to offer a platform to promote, facilitate and concentrate creativity in a display of fast and intensive work focused on bathrooms, an area that is traditionally not the subject of a great deal of innovation.

Enrolment: **Participants can register at www.onedaydesignchallenge.net until 11:59 p.m. (UTC+4) on 30th October 2019.** They can also register in person at Kr Infra Gala Campus, on the day of the event itself, **2nd November 2019 from 9:00 a.m. and until 11:00 a.m.**

Notwithstanding the foregoing, the organization reserves the right not to accept new registrations in the event that, in the organization's opinion, the number of participants registered hinders the smooth running of the competition.

When registering, participants should include the following information and documentation:

- Name and surname/s.
- School or company.
- Address (street number, town/city and postal code).
- Contact telephone number and e-mail.
- **Copy of the valid ID, passport or residence card, as an image file attached. The file name should use the format: SURNAME_NAME**

To register, participants registering through the official Roca page above www.onedaydesignchallenge.net should send the Copy of the valid ID, passport or Residence Card before **11:59 p.m. (UTC+4) on 30th October 2019.**

The personal data will be processed accordance with the provisions of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27th April 2016 on the protection of natural person with regard to the processing of personal data and on the free movement of such data.

Participants registering in person should bring their ID document with them in order to enrol. Registration will not be admitted without a valid ID document.

Any registration submitted without any of the above information shall be null and void.

Only one registration per person can be accepted and, once the registration number has been confirmed, it can no longer be changed. Duplicated registrations by the same person will also be considered null and void.

This competition is aimed at students and young professionals living within the territory of Oman and who were born on or after the 3rd November 1989 until the 2nd November 2001.

Participants can take part individually or in groups of up to 2 members, on the condition that all of the members meet the aforementioned requirements.

The following persons are excluded from participating:

- The winners of 1st, 2nd or 3rd and We Are Water Foundation prize of the previous editions of the competition.
- Employees of companies that form part of the Roca Group and their relatives up to 4th degree of consanguinity

Logistics: **At 9:30 a.m. on 2nd November, the design topic will be announced in live** at the venue of the event and on-line at the website (www.onedaydesignchallenge.net). A written copy will be given to all of the attendees.

The design period for the competition will run from 9:45 a.m. to 5:00 p.m. and participants can work on site or wherever they wish.

All participants will be able to submit their projects from 3:00 p.m. to 5:00 p.m. at the stand designated for such purpose at Kr Infra Gala Campus.

At 5:30 p.m., the jury will deliberate in order to choose the winning projects of the Roca One Day Design Challenge Oman 3rd Edition. The jury will also elect a first, second and third substitute winners just in case any of the awarded projects do not meet the conditions set out in these rules.

At 7:30 p.m., the award ceremony is going to take place and the jury will announce the list of the winners of the first, second and third prize.

The members of the jury will base their evaluations on the creativity and originality of the designs, as well as their viability, while also giving credit for the clarity, legibility and graphic design of the presentations.

The first prize-winner will receive a prize of 600 OMR.

The second prize-winner will receive a prize of 400 OMR.

The third prize-winner will receive a prize of 200 OMR.

The Jury reserves its right to leave all and any of the said prizes unawarded if in their opinion none of the projects is of enough quality and/or originality.

In addition, the jury may discretionally award a **special prize of OMR 200 provided by the We Are Water Foundation**, to the project which significantly adheres to the value of sustainability. The jury may leave the said prize unawarded if in their opinion none of the projects significantly adheres to the value of sustainability and / or has not enough quality.

All the prizes are subject to the current tax regulations. ROCA SANITARIO S.A. (Representation Office Middle East), will make the corresponding Income Tax payments for the prize-winners. The tax withholdings corresponding to the first prize of 600 OMR, the second prize of 400 OMR and third prize of 200 OMR as

well as the special sustainability prize of 200 OMR if awarded, will be discounted for the respective winners from the total amount of these awards.

Awards specified above shall be paid by cash to the award winners.

The awards shall be paid in OMR

In order to be eligible to receive the economic award corresponding to each position (first, second, third and WAWF prizes), **the awarded person** (and in case of groups, at least one of the members of the awarded group) **shall be present in the Award Ceremony** (7.30 p.m. at Kr Infra Gala Campus) **to collect the award.**

If the awarded person (or at least one member of the awarded group) is not present during the Award Ceremony he/she (the group) will lose its right to the economic award but will maintain its condition of awarded person/group on the Roca One Day Design Challenge Oman 2019 3rd Edition.

If in any moment before the payment of the prizes the Organization detects that any of the awarded projects do not meet the conditions set out in these rules because it is not an original project or for any other reasons, the project affected by such circumstance will be disqualified and the following winners and substitute winners will upgrade one place in the winners' classification. If any prize could not be awarded because there are no enough substitute winners, such prize will be declared as unawarded.

All the winners will also be invited to:

- **take part in a masterclass or workshop** that will take place in the Oman territory during the first/second/third trimester of year 2019/20. Both the transport (go and return) and the lunch of this masterclass or workshop will be contracted and paid by ROCA SANITARIO S.A. (Representation Office Middle East) provided that the transport departure and destination places are both within the Oman territory; and

The winners of the first prize will be invited to:

- **participate in the 2019 Worldwide Winners edition of the One Day Design Challenge that will take place during the first trimester of 2020 in Barcelona**, which basis will be later published on-line and

announced to the winners of this contest Edition. All transport, accommodation and meal allowances for the participants on the 2019 Worldwide winner's edition of the contest to take place in 2020 will be paid by the Roca Group.

Presentation: To design the projects, participants can use any manual or digital 2D, 3D tool, scale model, photograph, collage, etc. However, the concepts must be described and illustrated on two A3 sheets or less.

The projects must be submitted in Kr Infra Gala Campus at the desk indicated for the purpose, presented on an USB with the participant's registration number written in marker on the outside. There should be no other files on the pen drive except the final competition files.

The submission period for projects is from 3:00 p.m. to 5:00 p.m. on 2nd November. This deadline and delivery method apply both in the case of participants working on site and those who have worked elsewhere.

In order to submit a project, it is essential that participants have enrolled previously within the established period. Only one project may be submitted by each participant or group registered.

To guarantee the confidentiality of the participants, the real name of the individual or group participating should not appear on the A3 sheets submitted. The projects will be identified by the title and registration number.

Each participant or group should submit **2 digital files, which must comply with the following specifications without exception:**

- **A PDF file with up to two A3 sheets which must contain:**
 - Title of the project
 - Image of the design.
 - Description in less than 150 words (minimum font size 24 pt).
 - No more than 1,500 Kb.

The intent of this concept is to take advantage of the bathtub's classic design and enhance it as follows:

Maintain environmental care approach by introducing a looped water supply system providing stand-alone running mode;

The bathtub can be either connected to water supply system or work in a standalone mode

Prevent dripping and splashing water thanks to an airy water screen. Provide easy washing and drying of the bathtub's hydrophobic coating with the help of accessible valves.

Implement bathtub remote control via phygital technology.

Ensure usage safety and durability through Fibonacci formula based frame calculation. Ergonomically utilize space and allow convenient entering for elderly people due to the bathtub's frame transformability with no compromises in comfort or design.

- **A horizontal JPEG file with:**
 - Title of the project
 - The most representative image of the project.
 - No more than 1,500 Kb.

Example of .jpg file:

- The PDF and JPEG files should not take up more than 1,500 Kb each.
- The name of both files should be the registration number only without any additional characters.
- Although not mandatory, the registration number may also be included in the images of the project.

The projects must be presented in English

Any entry that does not meet the abovementioned requirements will not be evaluated by the jury.

Other aspects: The spirit of this event strives to foster the participants' creativity during the time over which the competition runs. As such, the projects submitted must be original and must not have been used previously for any other purpose.

The projects submitted must consist on a realistic object having a good design, which considers functional criteria and is consistent with the Topic of the competition announced by the Organization and feasible according to technologies existing at the date of the competition.
